

The Authority of God's Word
Bible study Class - July 22, 2021 -Pastor Charles A. Hall

The authority of God is given to us through the bible, the authority of the bible is the bible! The bible is documented proof of God's authority. Although those who refuse to accept God as Lord, nor His Word, like to challenge the authority of God by ignorant conversation, and ungodly actions, however the Word of God does not need to be defended, the bible defends itself! God the Father, the Son, and the Holy Spirit bear witness to the authority of the bible.

- **1John 5:7**
- **John 1:1**

The Holy Spirit bears witness to our spirit as believers by confirming by the Spirit that we are children of God, rather than the children of bondage.

- **Romans 8:15-16**

The Word of God is, and should always be the final authority for our faith and practice (daily life).

- **John 17:17-20**
- **Matthew 4:4**

The Word of God contained in the holy Bible is the authoritative Word of God, since it was settled by God in heaven

- **Psalm 119:89**

The Word of God has never been flawed or in error, it has and will remain the absolute and inspired word of God.

- **Psalm 119:160**

The prophet Isaiah wrote that the things of this life will fade away overtime, but the Word of God will stand forever.

- **Isaiah 40:6-8**

As believers we receive great rewards from God for obeying and teaching the pure Word of God. There are also consequences for disobeying God's ordinance and for teaching a false doctrine.

- **Matthew 5:19**

God in times past selected Holy men of God to write His Holy Word, and these men only wrote, as they were moved by the Spirit of God to write.

- **2Peter 1:20-21**

The Word of God found in the Holy bible are divinely taught by the Holy Spirit.

- **1Corinthians 2:9-13**

Jesus taught the Old testament with authority:!

- **Matthew 7:29**

If the authority of Jesus is denied, the entire foundation of God's plan of redemption falls with the Son of God!!!
